They're sworn to serve and protect, but for one night, our officers will take "serving" to a whole new level.

Tonight, Thursday, April 21st, West Valley City Police Officers will join in the Cops for Kids fundraiser by acting as servers at the West Valley City Sizzler Restaurant and donating all of their tips to the Children's Justice Center.

The Children's Justice Center is a non-profit organization that helps more than 1,700 children each year who have been impacted by sexual abuse, physical abuse or are witnesses in a violent crime. The CJC functions off of donations and assistance from the community. This fundraiser is their biggest one of the year and they need all of our help.

Officers from our agency will volunteer their time to serve meals and bus tables to earn tips. 100% of these tips will go directly to the Children's Justice Center to help them continue the great service they provide.

Cops for Kids is a family event that will include a drawing for prizes as well as free stuffed animals for kids.

- We will have representatives from the West Valley City Police Department as well as the Children's Justice Center on hand for interviews.
- We can arrange live shot opportunities during this event to include live interviews as well as feats of serving skill, or the lack thereof, demonstrated by our less-than experienced wait-staff/officers.
